Hi Diana,

I wanted to let you know that St. Thomas church has requested Sprint to withdraw its appeal to the city council.

I will receive a formal request from them in the next day or so and forward it to you. It seems they were disturbed by the recent AT&T city appeal outcome and are very reticent to further aggravate neighbors and church members.

I am sorry I am giving such late notice to request our withdrawal, but we just recently got informed ourselves.

I am grateful to you for all the effort you put into our project and I enjoyed working with you.

I look forward to working with you again in the future.

Regards,

Sandra
